NUMBER 46

Farm Boys of Jones Co. May Go to Dallas Fair

BY FLOYD LYNCH

Jones County has received a quota of 7 boys for the Educational Encampment to be held at the Dallas Fair. Boys Encampment beginning October 17 through 19. Before any boy is eligible for this camp he will be required to exhibit some field crop or livestock or poultry at this fair. Boys that are carrying some active Demonstration and spend three days at the Dallas Fair at this encampment should contact me immediately. Remember that this is a privilege which all counties do not have, in that the first requirements to get a quota is based on completions last year in club work. In other words, one boy was allotted for each twenty that completed his Demonstration. All boys interested in making plans for this encampment should plan to meet with the County Agent, Saturday, Sept. 16, at the County Agent's Office, at 2 P. M.

All 4-H Club boys having active Demonstrations in poultry, livestock, or field crops are requested to attend a meeting Saturday, Sept. 16, at 2 P. M. in the District Court Room, at Anson, to work out plans for exhibiting their demonstrations at the Abilene Fair, Oct. 2-7. Any club wishing to make an Educational or Agricultural exhibit will be assisted at this meeting in planning this exhibit. Any club which exhibits a creditable booth, educational or agricultural will be offered a \$10 prize.

Quite often club boys preparing animals for the larger stock shows find that their baby beeves are penalized because of grubs or 'warbles' in the back. A remedy for this would be to use an ointment consisting of powdered Derris root, 1 part, and petroleum, 10 parts. It is practically 100 per cent effective, according to R. R. Reppert, Extension Entomologist. After removing the scab found over the grub on the back, indicated by a bump, a small amount of the ointment is rubbed over this and repeated until all bumps have been treated. This kills the grub within. Since other grubs migrate to the back from deeper tissues throughout the winter, the treatment will have to be repeated for these as they appear. For treating large herds, one pound of fresh powdered Derris root of 1 per cent Rotenone content is mixed with 1 gallon of water in which has previously been dissolved 2 ounces of soap.

The Sixth Annual Fisher County Jack and Stallion Show will be held at Rotan, September 29, 1939.

Jones, Nolan, Mitchell, Scurry, Kent, Stonewall and Taylor Counties are invited to take part in this show.

Those who are interested may get additional information by calling by the County Agent's, Floyd Lynch's office.

The Declaration of Independence of the Republic of Texas injected a new element into history when it listed a "neglect of public education" as one of the legitimate causes for revolution. Out of that grew The University of Texas, conceived in legislation and opened in 1883.

Dr. and Mrs. O. Don Gould have become citizens of Hamlin. They are native Stamford people and have come to Hamlin to make their home. Dr. Gould is a Chiropractor and has his residence on North Central Ave. Dr. Gould says his father is a Chiropractor of long standing in Stamford.

High School Choral Club Met Monday

The High School Choral Club met Monday, September 11th, for their first meeting of the year. Plans were made for the coming school year.

Class officers elected were as follows: President, Effie Lois McCoy; Vice-President, Dorothy Fern Routh; Secretary-Treasurer, Selma Hassen; Publicity Agent, Sarah Jo Holder; Accompanist, Anita Anderson.

CALL TO FARMERS

A county-wide Farm Security Administration Educational Meeting will be held at Anson High school auditorium Saturday, September 16, at 9:30 a. m. The Farm Security program will be explained in detail. All farmers and wives who think they will need an FSA loan this year for the first time are urged to be present as only one county-wide meeting will be held. Landlords and others wishing to attend this meeting are welcome.

ROBERT CROSS,
Rural Supervisor, Jones Co.

CONNALLY GIVES OUT STATEMENT

MARLIN—The following statement was issued here Friday by Senator Tom Connally:

'Under the Constitution, the President is charged with the conduct of our foreign relations and in the crisis now facing us I am anxious to assist and support President Roosevelt in his grave responsibilities.

In the Senate Committee on Foreign Relations, I voted to consider the neutrality bill approved by Secretary Hull and President Roosevelt. The present so-called neutrality act, since the expiration of its cash and carry provisions, is not true neutrality, nor is it a guarantee against the United States becoming involved in war. Under it, all kinds of supplies, except arms and ammunitions may be sold and shipped in United States vessels anywhere with almost certain sinking and danger of war.

I favor a neutrality act which will permit the people of the United States to sell all kinds of their products to all nations, including belligerents. Those terms are commonly called the cash and carry plan. Nations at war would be required to carry supplies from the United States in foreign vessels. Under international law, the United States has a perfect right to sell all kinds of war supplies to any or all belligerents and to transport them in American ships, subject to the law of contraband and blockade. However, in view of the danger of the United States involvement, I favor limiting transportation to foreign vessels.

In addition, and again to minimize the danger of United States involvement, I favor giving the President power to establish combat zones where there is danger of our general shipping being submarined or attacked, and to prohibit American ships from going into such zones and to prohibit citizens from traveling within such zones on foreign ships.

While such a bill would distinctly limit freedom of the seas, as guaranteed to American citizens under international law, such limitation of our rights would be to prevent the United States from becoming embroiled in war. However, the United States and its people can not be expected to surrender practically all of their foreign commerce and to have their domestic economy disrupted and practically destroyed by a war and not of our own making.

TOM CONNALLY.

"But, my dear, you've been talking for an hour, and I haven't said a word."

"No, you haven't said anything, but you've been listening in a sassy way, and I'm not going to stand for it."

PIPERS' FIELD WILL SOON BE COMPLETE

Work is being rushed as fast as possible on the New Football field, to have it ready for the first game on Friday night of Sept. 22nd. At that time the Pied Pipers will take on the Lueders game (non-conference).

The rock work will likely be complete for the field, maybe except the division line between the baseball section and the Pipers' Field. Every kind of work is being rushed—the walls, the lighting, the rock bleachers, the sodding of the field (which requires an almost continuous stream of water on the grass).

This new athletic park will add much to Hamlin's attractions when finally completed. There will be a widened street on two sides, permitting of extensive parking; the walls and seating arrangements will be rock and therefore permanent; the two fields will enable activities without interferences; the park is along side of the "family picnicing" park, which will become more attractive as improvements are made, and this will include an all-weather driveways and possible lights till a certain hour each summer night.

The Pipers' schedule calls for seven games on the home field this season.

Perhaps the sodded field will not be as satisfactory as in later years of growth and settling, but will this year be a great improvement over the dust and dirt of former years. The fact that the games will be played hereafter, at night will enable many Hamlin citizens to enjoy game that heretofore were impossible or sacrificial to attend. This will count on gate receipts. And in this connection, it is well to state that night games cost more than in daylight for various reasons, well known.

Mrs. J. F. Taylor returned Sunday from Fort Worth where she had visited her son, Frank Taylor and family.

Mrs. Jim Johnson and daughter, Miss Grace and Leta B. White, returned Friday of last week from various points in California. They had been there for three months. Mrs. Johnson's son, John accompanied them home from San Diego, where he had been mustered out of the Navy, after four years of service. Miss White has a brother, Theron White, at Beaumont, Calif.

The Pied Pipers to Start Their Parade Next Friday

September 22nd will see the 1939 Pied Pipers on parade. Our boys are playing their opening game with Lueders September 22nd. The boys are in good shape and will put up a good fight. This is not to be the formal opening of the park as the park will not be completed, but will be in condition for the team to play. Stands are being provided for the spectators, the grass is making fine progress and the lights will be installed. Everything that is possible is being done this year to make the football team a success, to give the spectators and fans a good show. All the games will be played at night

ITEMS OF INTEREST OVER JONES COUNTY

By G. D. TRIPLETT

Mrs. James Ferguson, Boyd Chapel; Mrs. Clifton Stewart, Hamlin, and Mrs. B. F. Madgling of Lueders, were elected by the Jones County Home Demonstration Council to attend the Texas State HD meeting at Lubbock the past week, September 6, 7 and 8th.

J. C. Bearden, who lives on the Phillips farm west of Anson, last year bought two milk cows through the FSA for \$100. To date he has sold \$50 worth of cream, two heifers for \$55.00. This pays back the investment and five dollars profit and he still has the original stock.

Connie Otto, near Hamlin, has between 350 and 400 White Rock chickens; asked if he would have enough feed for them and his other stock he replied: "I have some feed in the barn from last year, some feed already made and some feed I hope to make, however, I do not know if I will have enough." He says he will make only five or six bales of cotton.

From North Carolina comes a story of a silo built from baled hay with three hours labor, and which held enough silage to feed twenty cows for two months. The bales of hay were stacked in a tight circle above ground, bound with heavy wire and the inner space filled with silage. As the silage was fed out the surplus bales were used in bedding down the cattle and reports are that the silage was as good as that stored in a permanent silo nearby.

O. G. Carpenter, Elliott community, has produced on his farm this year a good crop of apples and pears. They are of excellent quality and large size. Mr. Carpenter says he has no trouble disposing of them to purchasers who drive to his farm for them.

All poultrymen of the county are urged to attend a meeting at the Anson Chamber of Commerce office on Saturday at 2:30 p. m. for the purpose of discussing the sixth annual Jones County Poultry Show. Officers for the show will be elected and show dates set.

Adding machine rolls 15c or two for 25c at Herald office.

College Students Begin Trek to Various Schools

L. B. Revell's Home Burned Last Week

The home of Mr. and Mrs. L. B. Revell, who live on the John Howard farm about 7 miles northeast of Hamlin, was destroyed by fire last Thursday night, perhaps about ten or eleven o'clock.

The family was sleeping on the gallery and the fire had such a headway that everything was lost, even their shoes.

No idea is advanced as to the cause of the fire—and information is that nothing was insured. The house was four rooms and gallery.

APRECIATES HELP

Mr. and Mrs. L. B. Revell desire to convey through the Herald, their grateful appreciation to the people for the various gifts to them, following their loss when their house was burned. The people responded with money, clothing, and other articles.

Chinese Girl Coming To Baptist Church Sunday Morning

A most unusual young woman, a Miss Dora Tseng Chen, a graduate of Texas University, is coming to Hamlin Saturday as a guest of the F. & M. Nat'l. Bank.

Miss Tseng Chen is the only Chinese girl graduate of Texas University—majoring in Banking. She will teach Hamlin people a great deal about the Chinese people and prove what they can do in four short years. Miss Chen is a Christian and plans to return to China as soon as possible. She will make perhaps three or four addresses in Hamlin from Sunday to Wednesday.

OLD DOCUMENTS

Thursday morning J. W. Bevels, a good farmer west of Hamlin, age 71, was in the Herald office, talking over cotton adjustments and a lot of other things.

Mr. Bevels is from Lincoln Co., Tenn., and Madison Co., Ala. He had some yellowed papers from the old days of long ago—two of them were Confederate Bills, a 5 and a 20—another was a note for \$21 for a ton of "Blood and Bones Fertilizer" for his 20 acres of Alabama cotton field. Another was a note for a sorrel mule, \$100.15, dates going back about 50 years—when a mule and a Georgia Stock did the work, backed up by human muscles.

Mrs. Clyde Dean of Haskell is spending the week with Mrs. Ivey Witt while Mr. Witt is "courting" in Anson. Mrs. Dean's husband is assistant coach at Haskell. Mrs. Dean says if you will let her, she will fix your clock, while I. R. is out of the shop.

Mrs. R. Y. Barrow's brother, R. R. Simmons of Buffalo Gap, died at Abilene, Saturday night. Burial was in the Clyde Cemetery, Sunday.

Judge and Mrs. S. H. Shook, of Sweetwater, spent Saturday and Sunday here visiting their daughters, Mrs. N. M. Armstrong, and family, and Mrs. T. R. Tegert and husband.

The Herald has information that Mr. and Mrs. Martin McCain have moved from Corpus Christi to Houston, 2914 Arbor. Mr. McCain is a State Bank examiner, and each year the examiners are shifted to new districts.

Mr. and Mrs. W. S. Shannon of the Hamlin Sand & Gravel Co., had as visitors the past week, Dewey Dickinson, gunner on the U. S. Ship Saratoga, now at San Diego, Calif., and Mrs. Ruth Phillips of Los Angeles; Mrs. Annie Winn of San Angelo, Texas, nephew and niece of Mrs. Shannon. Also visiting the Shannons were Cleo Shipman and family of Lubbock and Mrs. John Selmon of Flat Top.

Hamlin's college students are leaving this week to enroll in our various colleges and universities, many resuming their work as upper classmen in schools that have become familiar to them, while others are experiencing that thrilling adventure of first year away from home in a strange school among people who are strangers.

Returning to John Tarleton College are Charles Prater, Lawrence King, Robert Fowler and Bill Morrison. Enrolling in this school for their first years work are Misses Eva Louise Fowler, Marian Martin and Mildred Barrow; Jack Russell, Billy McGough and Leslie Shelburne.

Misses Constance Teague, Lucille Newsome, Kathryn Gardner, Opal Cory, Rosemary Carlton and Marvin Carlton, Wyatt Hanks, D. W. Carlton and Wayne Cotten have enrolled in McMurray College, Abilene.

Miss Clara Louise Shelburne left this week for Brownwood to enter Howard Payne College.

Misses Leola Ubben and Janie Bryson have enrolled as freshmen in Hardin Simmons University. Lester Morton who attended Hardin-Simmons University last term has returned there to resume his work.

Miss Wilma Florence Reynolds has enrolled as a student in Abilene Christian College.

Misses Anna Mae Calhoun and Marie Akers left this week for Denton to enroll in Texas State College for Women.

Attending North Texas State Teachers College, Denton are Guy Wilson, Lovell Stell, M. Y. Wilson, De France Burton, Jon Max Taylor, Ivan Mustain, Max Baer Carlton and Misses Geneva George and Wilma Redus.

J. C. Turner, W. L. Boyd, Fred B. Moore, J. B. Terrell and J. C. Adkins will leave the latter part of the week for Waco to resume their studies in Baylor University.

Marvin York Jr. left this week for Chicago where he will take post graduate work in Northwestern University. He was accompanied to Chicago by his mother, Mrs. M. T. York and Mrs. Tom Teague who will return next week.

John F. Green left Thursday of last week for Austin to attend rush week and to enroll in the University of Texas. Calvin Smith Jr. will leave the latter part of this week for Austin to resume his studies in the University.

W. F. Martin Jr. has returned to the University of Texas to resume his studies. He was accompanied by his mother, Mrs. W. F. Martin, who will make her home in Austin during the school term.

L. B. and Tom Williams will return next week to Texas A. & M. College to resume their work.

Dean Redus and Grover Bryson will enroll as freshmen in A. & M.

Miss Mary Beth Moody will go to Dallas Friday of this week to resume her studies in Southern Methodist University.

How to STOP YOUR CAR'S OIL PUMPING

Is your car using too much oil? People whose cars formerly used as much as a quart of oil every hundred miles say that they did not have to add oil between changes after installing HASTINGS STEEL-VENT piston rings.

Your car is an expensive investment—why not protect it. HASTINGS STEEL-VENT checks the wear that is constantly at work tearing down that investment. For complete information concerning this sensational oil ring stop at your nearest garage or

The Herald was greeted the past week-end by two new publications—The McCaulley News, for the McCaulley community, published by E. H. Shelton of the Roby Star and Edited by Rev John P. Hardesty—Congratulations, Rev. Hardesty on your good start . . . may you get rich in this new field.

—And our District Attorney, Otis Miller, has gone "journalistic," and with the help of Mr. Thomas Durham, as Associate Editor, made their bow to the Anson community last week-end in a new paper entitled, "The Jones County Observer"—it got off on a boom—with 16 pages.

OBSERVATIONS ON THE WORLD WAR

—Each day, each week, the realization of the World's latest tragedy is on—perhaps every phase of human life is slowly being effected. By now, Germany is aware that they are in war—death trains are already arriving in Berlin from the Poland front—and on the West, by now the German population is finding out that their nation is again in the throes of death.

—There is one word in the United States that stands out above everything—Neutrality. We have a form of neutrality already, by proclamation and by an act of Congress, but it is a neutrality that will hurt our interest in more ways than one. First it prevents our country from exercising its liberty of trade, prevents our country from selling to the nations the American people want to win. It places a clamp on labor in the United States because war materials cannot be made and delivered. Nobody expects Germany to win this war—it is expected to last till Hitler is out of the picture—before then no one knows where the blaze of war will spread. So the general sentiment in this country is to change our neutrality to permit us to sell what we grow, what we make, what we have to all nations alike who can come and get it—and we know who can come.

—Which is better—sell to England and France, let them come and get it and conquer Hitler, or continue a law that prohibits our trade and maybe pull us into the war and cause us to take our products to Europe in our own boats, convoyed by our own navy? No way can we look at this thing can we think of letting the Allies lose and finally let our own Western hemisphere take orders from the Baltic-Rhine area.

—Among the many very unusual things about this war is the reluctance of the "three" great nations to bomb one another's towns. It may be it is because of their promise to Mr. Roosevelt to not begin it "unless the other fellow does"—when the going gets hard and close a bomb will drop from the sky and the carnage will start.

—This is called a "Hitler War"—wonder what they will call the one thirty years from now—it was once called "Bill Kaiser."—Hitler or something. It is all the same, "Goering" would sound just as bad.

—Disarmament is the only solution for peace. When war machines are in the hands of some men or nations, war results. Germany was disarmed 25 years ago and the world would be at peace and prosperous if the United States had done her share in holding the League of Nations in tact.

—This week we got down the "Life of Woodrow Wilson" by Josephus Daniels, who was Secretary of the Navy under the Wilson Administration, and now our ambassador to Mexico. The Life of Wilson, especially that part dealing with Germany, and the League of Nations, should be read by every American, especially by those Senators who blocked the United States from being a member of the League.

—The spirit of Woodrow Wilson still lives, and this repeated World War will increase his stature in the hearts of tens of millions of Americans—and create a deeper disrespect for a few of our "die-hard" so-called statesmen still in the Senate.

—Wilson's words are on record and the present days prove that he could see clearly 25 years ahead. Mr. Wilson died of a broken heart, because certain Senators then, as now, catered to politics—placating the German vote, the Italian vote, the Irish vote against the ideal that is needed in this nation, which controls half the world to help keep all the world well regulated in the interest of justice to the weak and helpless nations.

What I cannot praise I speak not of.—Goethe.

BAPTIST CHURCH CHOIR ELECTS OFFICERS

The choir of the First Baptist church met Wednesday night at 8:30 o'clock for regular practice. A brief business meeting was called and officers for the coming year were elected: Mrs. Earl Smith, president; Mrs. W. T. Trawick, first vice-president; Miss Lennie Greenway, second vice-president; Mrs. G. P. Odom, 3rd vice-president; Mrs. Theron Rogers, secretary; Mrs. Travis Dean, reporter; Grant Mizner, librarian; Mrs. W. C. Russell, director, and Forrest Greenway, pianist.

Work was begun on the Thanksgiving Cantata, "Praise and Thanksgiving."

We urge all choir members to attend rehearsals. Let's have a well filled choir Sunday morning.

—Reporter

LUCILLE REAGAN CIRCLE HAS ALL DAY STUDY

Monday the Lucille Reagan Circle of the First Baptist church W. M. S. met in the home of Mrs. G. P. Odom to have morning and afternoon study for the purpose of completing this year's study course, "Know Your Bible Better."

Luncheon was served buffet style to Mrs. H. O. Cassle, Mrs. J. L. Keen, and Mrs. M. Y. Wilson, who were honor guests. Mesdames R. E. Johnson, Hubert Morton, O. G. Harvey, L. B. Maberry, Wesley Niedeken, Scott, Carl Young, J. D. Burk, Carlton Kenchen, Clemmer, Lott Shell, Travis Dean, Miss Nellie Litchfield of Alpine and the hostess, Mrs. Odom.

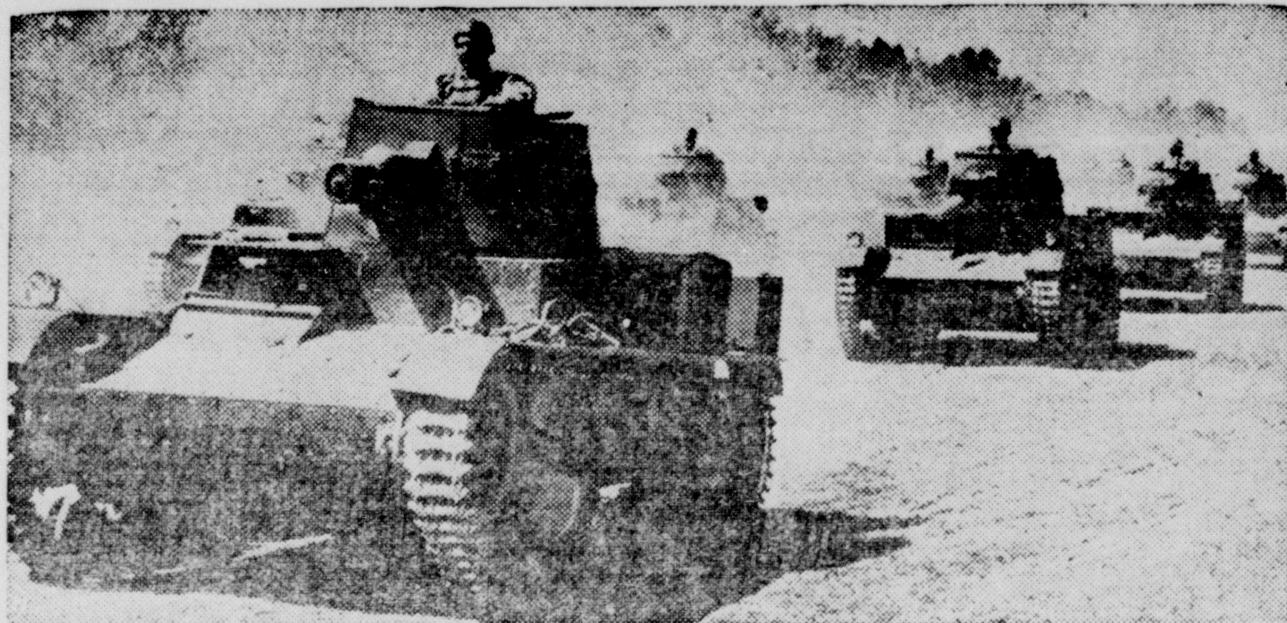

The Lucille Reagan Circle will present the Royal Service Missionary Program at the church Monday, Sept. 18, at 2:30 o'clock. May we have a good attendance. All ladies of the church are cordially invited to be present.

War Map of Europe

The above map shows nations involved in the present European struggle, with the military, naval and air strength of each of the contestants. England's navy of 2,079,863 tons is considerably greater than the combined navies of Germany and Italy, which total 541,023 tons and 717,920 tons, respectively. France's navy totals 815,531 tons, larger than that of either of the dictator nations.

Character is higher than intellect. A great soul will be strong to live, as well as to think.—Emerson.

NOTICE FOR BIDS

The City Council of the City of Hamlin, Texas, will at its next regular meeting, September 19, 1939, receive sealed bids for the custody of City funds for ensuing year. All bids must be in the office of the City Secretary, not later than 7:00 p. m., September 19, 1939. The Council reserves the right to reject any or all bids.

J. B. EAKIN,

City Secretary (45-46)

Prompt Help For A Listless Child

Scolding won't help a boy or girl who is listless, dull or cross from constipation. But, here's something that will!

If sluggish bowels have your child headachy, bilious, upset, give him a little Syrup of Black-Draught tonight. Like the original famed BLACK-DRAUGHT, its principal ingredient is an intestinal tonic-laxative. Helps impart tone to the bowel muscles.

Children like the taste of Syrup of Black-Draught. It is an all vegetable product. When simple directions are followed, its action is gentle, but prompt and complete. Comes in two sizes: 50c and 25c.

PLENTY OF MONEY

There is plenty of money and to spare in regular banking channels for sound, legitimate commercial loans of all legal types. But business is making only small use of the potential credit available. And it isn't hard to understand why that is so. No intelligent business man goes into debt, to a bank or any other agency, when he doesn't know where the money is coming from to pay off. He doesn't expand his plant in a period of worry and uncertainty. We will have a major expansion of credit when confidence returns, when the fear of government competition and tax confiscation of profits is lessened, and when business men don't have to spend most of their time thinking about political policies which burden and punish private enterprise.

Constipated?

"For years I had occasional constipation, awful gas bloating, headaches and back pains. Adlerika always helped right away. Now I eat sausage, bananas, pie, anything I want. Never felt better." Mrs. Mabel Schott.

The Fashion Frock Of The Week

A TWO-PIECE SPORT ENSEMBLE as worn in Hollywood by JUNE LANG of Movie Stardom

Stripes have been good for some time, and now Paris says the newest in stripes is to have them on the bias, which does make them a bit different. In this two-piece sport ensemble as worn by June Lang, the bias stripe on the skirt is the style as well as the pattern feature, although the body fitting cardigan jacket is full of style, too. The snug jacket Miss Lang wears is a tweed material Shetland in an autumn leaf red, with a striped trim around it and on the cuffs and pocket. Material buttons with stripe binding fasten down the front. The colors in her striped wool and rayon skirt are called sea stripe because they resemble the variegated greens and blues of the sea. One interested in a practical fall and winter suit can make no mistake in selecting this one.

As worn by

June Lang

IT IS TRENCH SILO TIME

Raise Crops on the Surface Then Bury

Fifty years ago, who would have thought of cutting feed and burying in trenches to keep for stock—that is not new but not so generally used.

This farm picture is our No. 7 in a series of 15, showing the process of land use from the original "range" with its cattle and coyotes and cacti. Maybe the trench silo is

not as good as a big barn, but some say better. It does not cost much, even if it should be dug and walled. The essential thing is plenty of dirt coverage when it is filled with green stuff. Back from every bunch of trench silos may be imagined a fine herd of cattle, maybe some good horses or mules.

This season, owing to the drouth silos filling will not be so good.

WHICH IS WHICH
HOT CHECK OR COLD

It appears Texas people do not say the same thing with the same word—sometimes.

For example in West Texas we call an uncashable check "Cold." Back in other parts of Texas a worthless check is called "Hot."

What is the difference—one gets too cold to cash—the other gets hot if you can't cash it.

Let us suggest we stick with "Cold"; let 'em call it "hot" if they care, for a lifeless thing is "cold."

HERE IS THE NEW LAW:

Stripped of law wording, and therefore brought to a close reading, the new "check" law makes the habitual giving of worthless checks a felony, and takes the crime out of the misdemeanor class.

In brief, the law on the matter and the penalties attached are as follows:

The Crime: It shall be unlawful for any person, with intent to defraud, to obtain any money, goods, service, labor, or any other thing of value; or to pay for any goods, service, labor or other thing of value, theretofore received; or to secure or retain possession of any personal property to which a lien has attached, by giving or drawing any check, draft, or order upon any bank, person, firm or corporation, if such person does not, at the time, said instrument is given or drawn, have sufficient funds on deposit to pay said instrument and all other instruments outstanding.

Intent To Defraud: Non-payment of said instrument shall be prima facie evidence that such person had insufficient funds with the

drawee and that same was given or drawn with intent to defraud; notice of protest shall be admissible as proof of presentation and non-payment, and in the case of secured personal property, removal from the premises upon which it was located at the time said instrument was drawn or given, shall be prima facie evidence that possession of such property was retained or secured by giving or drawing said instrument.

Issuing and Serving Processes and Compensating Witnesses: Same as though the offense were a felony in grade.

The Penalty: Instrument \$5 or less—First conviction, County Jail up to 2 years or fine up to \$200; second conviction, county jail from 30 days to 2 years; third or additional conviction, penitentiary from 2 to 10 years.

Instrument \$5.01 to \$49.99—first conviction, county jail up to 2 years or fine up to \$500; second conviction, county jail from 30 days to 2 years; third or additional conviction, penitentiary from 2 to 10 years.

Instrument \$50 or more—first conviction, penitentiary from 2 to 12 years; second conviction, penitentiary from 2 to 10 years; third or additional conviction, penitentiary from 2 to 10 years.

Should any person, who has contributed to the case of this State against violators of this act, suggest or request the Prosecuting Attorney that such case be dismissed, he shall be guilty of a misdemeanor and upon conviction thereof shall be fined not less than \$100 nor more than \$500.

Whoever, having devised or intended to devise any scheme or artifice to defraud, or for obtaining money or property by means of false or fraudulent pretenses, repre-

sentations or promises shall for the purpose of executing such scheme or artifice or attempting so to do, place, or cause to be placed any letter in any postoffice of the United States shall be fined not more than \$1,000 or imprisoned for not more than 5 years, or both.

Most of us like to see people honest and frank-spoken except when they are touching on our own faults and short comings. We want all the charity we can get then.

Let us have faith that right makes right, and in that faith let us to the end dare to do our duty as we understand it.—French Proverb.

Food Prices
And ProfitsA Statement Of
Safeway Policy

THE FORCES OF market disturbance, fear, and speculation, are at work. Prices for some basic commodities have already gone up. Increases in Safeway's retail prices on these items reflect the rise in wholesale cost, over which Safeway has no control.

It is a fundamental Safeway policy to earn a small profit on each sale. Safeway pledges that during the period of war emergency it will not change this policy; and that in the future, as heretofore, it will make every effort through improved methods to reduce distribution cost—the difference between what the farmer gets and the consumer pays. You will always be able to buy from Safeway at the lowest prices available anywhere.

Consumers may assist materially in preventing unwarranted price increases by continuing their purchases on a normal scale. There are adequate supplies of food stuffs for every American. Hysterical buying which strips retail and wholesale stocks creates artificial scarcity, which pushes prices to abnormal levels.

Machinery exists within the government to control production, storage and release of commodities, imports, exports, quotas and prices—if it should become necessary to employ these methods to protect the economic welfare of the country.

Safeway further pledges complete co-operation with the governmental agencies and with farmer producers in all efforts to stabilize prices; discourage profiteering; and maintain orderly facilities for food distribution.

SAFEWAY

News of the Week From the McCaulley Community

(By PAULINE MABERRY)

We regret that we have lost Rev. John Hardesty as our correspondent but we are happy that McCaulley finally has a paper. Thanks to the Reverend.

School has started with a Bang! Everyone seems to be enjoying it, especially the football boys and the tennis players.

Melvin Courtney is football coach and has been out with the boys every day for practice. The boys that take part in this sport are: W. T. Lawlis, Stanley Jackson, Walter Cybert, Rex Jones, D. C. and Billy Reynolds, Frank and Tom B. Jeffery, Norris Shira, Clyde Lewis, Alfred Ray Wishert, Leon Peterson, Bynum and Ray Akins.

The officers of the tennis club are: Coach, H. P. Powers, President; Glen Gray, vice-president; Emma Sue Hennington, reporter; Buford Jackson, and sec.-treas.; H. P. Powers.

Mrs. Ira Parker returned from the Hendrick Memorial hospital in Abilene last Thursday. She went on the Tuesday before, ailing of a food rash. She is improving.

Uncle John Rector has been sick, but is feeling better at this time.

Mr. and Mrs. D. D. Houghton and little daughter of Denton, have been visiting the Sherman Houghton family of McCaulley. D. D. Houghton is a nephew of S. Houghton.

Misses Geneva Huling of Hamlin and Miss Ruby Shira spent the weekend with Fay Norris of McCaulley.

Miss Lorene Wicker spent the past week with Mrs. J. M. Humphries. Mrs. Humphries is slowly gaining strength.

Rev. J. L. Mayhew had a very good congregation at his church,

Sunday, at McCaulley.

Services will be at the Baptist church Sunday.

Miss La Verne Weaver of Rule, is spending the week with Manon Jayroe.

Mrs. J. W. Galloway and daughter are spending the week with Mrs. M. C. Galloway and family.

Dr. Barb of Roby, left this week for Oklahoma City. All his friends and patients regret to see him leave.

Mrs. John Maberry is visiting her daughter and family, Mrs. Grover Seaton of Hermleigh.

Mr. and Mrs. Carol Lee spent the day with Mr. and Mrs. J. W. Hendrickson last Friday.

All friends and neighbors of the J. W. Hendrickson family are giving that family a farewell basket supper and gift shower before they go to Maderia, California. This affair will take place Friday 15th, at the McCaulley tabernacle. Everyone that knows or has known Mr. Walker and has been a student of his in the past years, we know, will want to come. We're making this a public announcement so you can bring your supper and be with us.

NOTE FROM EDITOR:

The Herald appreciates the above news letter from McCaulley. Miss Maberry is a new beginner and we are sure she will appreciate news "hints" from her McCaulley friends from week to week for her column. Miss Pauline is the only agent for the Herald representing the McCaulley community, and she has the authority to take subscriptions, both new and renewals, and if anyone wants to drop in an "ad" she will take your copy and forward it to the Herald.

FLAT TOP SOUTH SIDE NEWS

(By Nancy O'Neal)

The revival closed last Sunday night. Three additions were made to the church. The baptizing was at the Wild Cat tank. There will be Sunday School, Sunday morning. Every one is invited to attend.

Misses Verlie Jo and Juanita Bruner spent Sunday with Miss Jackie Barton of Flat Top.

John O'Neal of Flat Top is visiting his sister, Mrs. J. L. Stone and family of Presidio.

We are sorry to report Clint Payne of Flat Top ill, we hope he makes a speedy recovery.

Miss Maxine Smith of Flat Top spent last week with her cousin, Doris Mates in Stamford.

Mr. and Mrs. Jack Smith and children spent Sunday with Mr. and Mrs. Pete Fudge of Flat Top.

Mrs. John O'Neal and Mrs. Doug Grimes visited their mother Mrs. Dora Neal of Flat Top Sunday afternoon.

Miss Winnie Wright of Anson has been visiting Mr. and Mrs. O. L. Carpenter of South Side.

Mr. and Mrs. Claud Pyron spent Sunday with Mr. and Mrs. Alvie Mullin of Flat Top.

Miss Louise and Christine Jenkins of Flat Top spent Sunday with Miss Maxine Smith.

Mr. and Mrs. Dick Coon and son, Ted, Tommy Warden and Preston Williams of Weatherford visited Mr. and Mrs. W. A. O'Neal of South Side; Mr. and Mrs. Sam Doyle, and John Hines of Flat Top last weekend. We are always glad to see our old neighbors.

Lewis Wright of South Side has been ill for several days. We hope he regains his normal health soon.

Pete Freeman of Aspermont visited Friday evening with his sister, Mrs. W. A. O'Neal and family of South Side.

Miss Faye Huddleston of Hitson spent last week with Mr. and Mrs. Ashborn Branscum of Flat Top.

Miss June Barton is now staying with her uncle Frank Barton and children of Flat Top.

Mr. and Mrs. J. W. Hines went to Mineral Wells last Friday to visit their daughter, Miss Dorothy.

Mrs. T. A. Young of Dallas is visiting Mr. and Mrs. Kelly Scott and other relatives in Hamlin.

Mr. and Mrs. Kirby Fudge and family of Boyd Chapel spent Sunday with Mr. and Mrs. I. C. Fudge of Flat Top.

BOYD CHAPEL CHIRPS

(Mrs. L. F. Cozzen)

Everyone is in a big way pulling bolls this week, "but it won't be long now" till the whole crop will be gathered. We are still wishing for a good rain—there are still places where a good rain would be a big help.

Mrs. Bristow was greatly pleased a few days of last week by a visit from her brother and wife, Mr. and Mrs. Bennett also her sister, Mrs. J. H. Grayson.

Mr. and Mrs. Wortham Crow and Mr. and Mrs. Lester Woods attended the big singing at Snyder, Sunday.

Mrs. Jessie Hancock is improving at this writing. She had for company, Sunday, her mother and father and brother Marshall and sister Edna from Hitson also a sister and brother in law, Mr. and Mrs. Lorey Hancock of Sylvester. Mrs. Hancock is spending a few weeks with her mother convalescing.

We failed to learn last week in time to get it in the paper of Mr. Jim Holden's brothers death, Mr. Bob Holden, of Littlefield. We sympathize with him in the loss of his brother.

Those attending the Baptist Association at Leuders, last Friday were: Mr. and Mrs. J. P. Cornelius and Robbie, Toby Estes, Filina Kelly; Mr. Ollie Estes, Delmer Estes, Lester Woods and Theron Bingham, perhaps others that I failed to learn about.

The new well at Boyd Chapel school house has just been completed. It was drilled by John Fate and Barney Beavers.

Mr. and Mrs. Travis Hubbard are the proud parents of a new baby girl born Sept. 10. Name—well, we just don't know.

Mr. and Mrs. W. H. Morrison from Abilene were in Hamlin Saturday. While Mr. Morrison attended to business matters, Mrs. Morrison visited with old friends. The Morrisons are former Hamlin residents.

DOVIE NEWS

By Mrs. Ira Green

Following the League program last Sunday night. Bro. L. K. Malone brought a splendid message. Sunday night, September 17, the League program will be given by Betty Jo Green, Ira Green and Elvin Cooley. Every one has a special invitation to attend this meeting.

Alvis Cooley left Monday for Abilene where he will attend school; he will be greatly missed in our community.

Dovie school opened Monday. We are happy to have Mr. and Mrs. H. A. Johnston and family and Miss Earnestine Reed with us for another school term. The teacherage which was destroyed by fire several weeks ago, has been replaced with a nice new building.

Mr. and Mrs. Milton Bessire (newly married) have been visiting Mr. and Mrs. Edd Bessire. They will make their home in Dallas.

We are sorry to report Mr. and Mrs. Lem Revell lost their home in a fire Friday night which destroyed all their furniture and also their clothes. Mrs. L. B. Holden gave them a kitchen-shower Wednesday evening.

Mr. and Mrs. R. T. Spaulding and

little son Rodney Allen are visiting Mrs. Spaulding's parents, Mr. and Mrs. J. D. Rountree after a four months' vacation in Stevensville, Montana. Mr. Spaulding will leave Monday for Norman, Oklahoma, where he will begin his work as Secretary of the Chamber of Commerce there. Mrs. Spaulding will join him later.

Bad Breath May Show You Need This Help!

Bad breath is sometimes due to bad teeth and often due to sluggish bowels.

It offends. And to neglect it may invite a host of constipation's other discomforts: headaches, biliousness, loss of appetite and energy. Don't let constipation slow you down. Take a little spicy, all vegetable BLACK-DRAUGHT tonight. In the morning there's an evacuation that's generally thorough. You feel fine again!

BLACK-DRAUGHT'S principal ingredient is an "intestinal tonic-laxative." It helps impart tone to lazy bowel muscles. Millions of packages used yearly!

Mrs. D. D. Harden returned Sunday from a visit to the World's Fair at San Francisco, California.

H. V. BROWN MARRIES

RULE GIRL

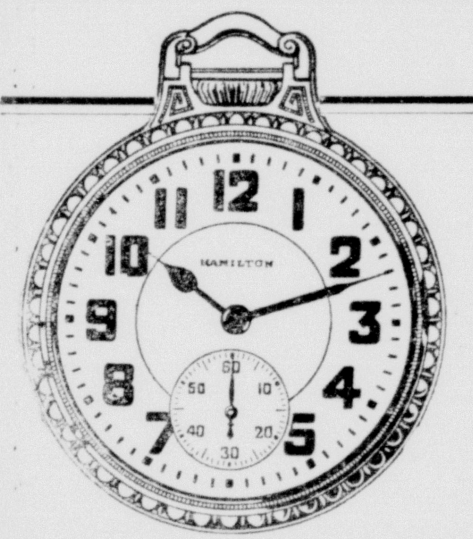

H. V. Brown, a son of Mr. and Mrs. H. E. Brown, of Hamlin, and Miss Elizabeth Hines of Rule, were united in marriage Thursday evening, September 7, at 8:30 o'clock, at the home of Rev. Luther Kirk, pastor of the Methodist Church of Rochester, with Rev. Kirk performing the ceremony in the presence of the brides immediate family and two intimate friends of the bride and groom, Miss Kelly, of Rule and Mr. Harry Gardner, of Hamlin.

For her wedding Mrs. Brown wore a suit of navy light weight wool with navy and wine accessories. She is a daughter of Mr. and Mrs. F. E. Hines of Rule where she attended school and later graduated from the McCaulley High school.

Mr. Brown is a graduate of the Hamlin High school and is now employed at the Rockwell Lumber Company.

Following the ceremony the couple left for Lake Kemp and returned Saturday to Hamlin where they will make their home.

Mrs. Ben Wilkerson and daughter left Friday for Gainesville to join her husband where they will make their home.

H. J. (Henry) Gruben
McCaulley, Texas

Mrs. Maude Fizer spent the past week end in Wichita Falls with her children, Misses Marie and Beatrice Fizer and her son Edward Fizer.

Mr. and Mrs. R. B. Wiar and Miss Eleanor Temple returned Sunday from a vacation in Colorado.

DON'T MAKE HAY BALERS OUT OF YOUR COWS!

Why stuff your cows with hay, trying to make them give more milk when that feed is lacking in necessary minerals? Give your cows Watkins Mineralized Stock Tonic to save hay or grain and get just as good results. When Watkins Mineralized Stock Tonic is fed, your cows will get more from their food instead of having half of it pass through undigested. Customers tell me that milk production increases and cows are in better shape when they feed this product.

I'll tell you more about it and also show you the money-saving bargains I have on other famous Watkins Products when I call. I'll be seeing you soon.
